April 18th. International Day of Monuments and Sites - ICOMOS WORLD HERITAGE DAY - Heritage of Education

The International Day of Monuments and Sites - ICOMOS is the occasion to stimulate a reflection on the importance of the educational value of cultural heritage and the use of new technologies related to teaching.

This year ICOMOS Italian Committee, Comune di Firenze and Fondazione Romualdo Del Bianco - Life Beyond Tourism is promoting an OPEN DAY at Auditorium al Duomo to favour the meeting between institutions and citizens and to promote those initiatives that are centered on the interaction between the cultural heritage and the education.

Also during the day will open the exhibition of the 30 best images that took part in the photo contest SNAPSHOT ON FLORENCE (No profit Portal Life Beyond Tourism).

To read more about the event and to participate:
