Dear President Del Bianco,

Please accept my most sincere thanks for the opportunity of our meeting in Florence. I would like to thank you very much also for the warm welcome and organization of Krakow's delegation travel to Florence. This visit ensured me that cooperation between Krakow and Florence is based not only on mutual benefits but it is built on the fundament of the bond of friendship and partnership.

I strongly believe that actions and initiatives planned will contribute to the further development of contacts between our Cities.

I would like to thank you again for your hospitality.

Kind regards,

Tadeusz Trzmiel
Deputy Mayor of the City of Krakow
